

High gloss water clear surface coating epoxy resin

TRANSLUX D 154

Doming

Industrial and Art & decoration application

Ideal epoxy system for art and decoration

- Interior or outdoor surface cover
- Table cover
- Signs protection
- Anti graffiti aspect
- Promotional advertisement objects
- Glazing of papers (photos, boxes...)

CONFIDENTIAL
Internal use only

Ideal on any supports: wood, metal, cardboard (box), plastics.

Advantages :

- ✓ Perfectly colourless and transparent
- ✓ Simple mix ratio in volume 1/1
- ✓ Easy handling by hand or machine
- ✓ Good UV resistance
- ✓ No reaction with standard supports

Because of its specific formulation, this resin is not intended for "basic consumer" applications. Match industrial applications.
